1 General

1.1 Validity

Charges according to this price list are valid as of 1 April 2014.

1.2 Charges

This pricelist includes the applicable charges at Swedavias 10 airports for aircraft with an authorised MTOW less than 5,700 kg:

1. Take-Off Charge
2. Aircraft Parking Charge

1.3 Conditions of Services

Swedavias Conditions of Services are the terms and conditions under which Airport users use our Services at the Airport. If an Airport user uses our Services in any way (including taking off and landing) the Airport user agrees to be bound by these Conditions.

1.4 Exemptions

Whenever called for, in consideration of international practice and subject to reciprocity, Swedavia AB may grant exemption from any of the charges under these regulations for foreign State aircraft and military aircraft. Reciprocity shall be deemed to be met if nothing to the contrary is known. If there are questions, please contact aviationbusiness@swedavia.se.

Charges shall normally not be levied on foreign State aircraft used for the missions of foreign heads of state, members of Government or similar official occasions.

2 Take-Off Charge

A Take-Off Charge is collected for each aircraft take-off at an airport. For all take-offs with aircraft with an MTOW less than 5,700 kg the minimum Take-Off Charge apply.

If the airport capacity or service level is reduced due to weather or flight safety conditions, no charges are reduced or refunded.

Minimum Take-Off Charge (SEK)

| Airport | SEK |
|---------------------|-----|
| Stockholm Arlanda | 250 |
| Bromma Stockholm | 250 |
| Göteborg Landvetter | 250 |
| Malmö | 250 |
| Luleå | 250 |
| Umeå | 250 |
| Kiruna | 250 |
| Åre Östersund | 250 |
| Visby | 250 |
| Ronneby | 250 |

2.1 Charges outside airport operating hours

Charges in accordance with section 2 are valid during the airport's standard operating hours. For landing and take-off before and after standard operating hours, the following charge applies for aircraft with an MTOW of 0–5.7 tonnes in addition to the normal Take-Off Charge.

| Time after closing | Summer (15 APR–14 OCT) | Winter (15 OCT–14 APR) |
|----------------------|------------------------|------------------------|
| Price per 30 minutes | SEK 862 | SEK 1,262 |

For information about standard operating hours at Swedavia-owned airports, see AIP-Sweden/AD2 (<http://www.lfv.se/sv/FPC/IAIP/>).

2.2 Exemption from Take-Off Charge

Subject to the provisions below, exemption from the Take-Off Charge (technical return excluded) may only be granted if notice has been given in advance to the appropriate air traffic services unit. When no air traffic services unit is available, notice must be given in advance to the local representative of Swedavia AB, provided that the intended take-off does not interfere with other aircraft.

If the airport capacity or service level is reduced due to weather or flight safety conditions, no charges are reduced or refunded.

A Take-Off Charge shall not be paid for:

- aircraft engaged in test flights arranged by Swedish Transport Agency for the purpose of establishing the airworthiness of aircraft (does not include test period)
- aircraft operating flights on behalf of ambulance or search and rescue flights authorised by a competent SAR body
- take-off after turning back to the airport of departure due to technical or weather conditions.

3 Aircraft Parking Charge

The Aircraft Parking Charge is based on the authorised MTOW in the aircraft's certificate of airworthiness rounded to the nearest 1,000 kg.

4 Annual Card – Domestic aircraft

For aircraft, with an MTOW less than 5,700 kg, that are not engaged in commercial operation, (scheduled and chartered (taxi) flights for transportation of passengers and freight) an annual card can be purchased for an unlimited number of take-offs from all Swedavia airports, except Bromma Stockholm, Stockholm Arlanda and Göteborg Landvetter. The card is also valid at all other airports that are affiliated with the joint system of annual cards, see below.

Concerning take-offs from Stockholm Arlanda, see section 4.3 Validity at Stockholm Arlanda Airport.

The annual card is not valid when taking off/landing outside standard operating hours. For information about standard operating hours at Swedavia-owned airports, see AIP-Sweden/AD2 (<http://www.lfv.se/sv/FPC/IAIP/>).

Aircraft parking

For aircraft, with an MTOW less than 2,000 kg, the annual card includes free parking. This applies when the aircraft is parked at a space assigned by the Airport Manager. Free parking is valid on the following airports: Kiruna, Luleå, Ronneby, Umeå, Visby, Åre, Östersund and the airports affiliated with the joint system of annual card holders.

4.1 Refund

The annual Take-Off Charge will be refunded in case the aircraft's airworthiness is forfeited due to Damage, or if the aircraft is sold to a foreign state. Payment of part of the annual charge is not refundable in the event of a strike, lock-out or similar activity in the labour market.

If a refund is made, the user will receive the part of the annual charge that is attributable to the number of full calendar months after the accident or sale occurred.

4.2 Validity at Stockholm Arlanda Airport

Movement of aircraft with an authorised MTOW not exceeding 2,000 kg is allowed until further notice at Stockholm Arlanda for those who pay an annual card or hold a weekly season card (see chapter 5) as follows:

| Stockholm Arlanda | | |
|-----------------------|------------------|----------------------------------|
| Domestic traffic | Monday to Sunday | 10.00 p.m.–6.00 a.m. local time. |
| International traffic | Monday to Friday | 4.00 p.m.–6.00 a.m. local time |

For aircraft with an authorised MTOW exceeding 2,000 kg but not exceeding 5,700 kg for Stockholm Arlanda the annual card charge for take-off is valid daily from 10.00 p.m. to 6.00 a.m. local time.

Slots at Stockholm Arlanda

Aircraft movement at Stockholm Arlanda airport requires an accepted and confirmed time of departure and arrival (slot time). Ref AIP-Sweden/AD2/ESSA (<http://www.lfv.se/sv/FPC/IAIP/>).

5 Weekly Season Card – Foreign aircraft

Owners of foreign aircraft with an MTOW less than 2,000 kg according to the certificate of airworthiness can buy a weekly season card provided that the flight is not intended for commercial purposes or school flights. The card is valid for a continuous period of seven days including the day of arrival and entitles the aircraft to an unspecified number of take-offs from Swedavia-owned airports except Stockholm Arlanda and Bromma Stockholm during normal operating hours. For take-off/landing at Stockholm Arlanda see section 4.3 Validity at Stockholm Arlanda Airport.

Provided that parking space is available, the card is also valid for parking at all Swedavia-owned airports on space designated by the Airport Manager. The card cannot be issued retroactively, prior to the day of purchase. Upon request, the card may be issued for several continuous seven-day periods (maximum of 3 times within a 12-month period).

The charge for a weekly season card (including value added tax) is for each continuous period of seven days SEK 800.

The card may only be obtained from Swedavia-owned airports. The card shall be kept with the other documents pertaining to the aircraft and must be shown to the airport staff without being reminded to do so. Payments will not be refunded.
