Visiting Linköpings flygklubb, at Saab airport (ESSL)

General information

- PPR at all times. Apply via https://ppr.lfk.se/
- For official charts, local traffic regulations and noise abatement procedures, see AIP Sweden on https://aro.lfv.se/
- Saab TWR frequency is 118.805. Station name "Saab RADIO" is used when TWR is closed.
- TWR hours of service are published in NOTAM. TWR may be open outside published hours.
- The airspace above 1600 ft MSL is Östgöta TMA, controlled by Östgöta APP. Clearance to enter must be obtained.
- SAAB (south of the runway) is a protected area. Photography depicting SAAB is prohibited.
- TWY Lima is the only taxiway available to GA aircraft.

Arrival when TWR is closed

- Blind transmit your intentions.
- Enter Saab CTR via its four primary entry/exit points: Östra Harg, Gistad, Hovetorp or Spetsen.
- Blind transmit your intentions.
- Fly and turn north of the RWY, aim for the TWR and join traffic pattern at 1000 MSL. See illustration on page 2.
- Taxi to General Aviation Center (GAC) via TWY Lima.
- Park at GAC. See page 3 for GAC layout.

Departure when TWR is closed

- TWR is closed when the RGL lights on TWY Lima are turned off.
- Contact Saab airport services on +46 (0)13 18 15 00, to confirm there is no activity on or near the runway area.
- Perform run-up on the run-up area. See page 3 for GAC layout.
- Blind transmit before entering TWY Lima.
- For departure procedures, see illustrations on page 4 and 5.
- Exit Saab CTR via its four primary entry/exit points: Östra Harg, Gistad, Hovetorp or Spetsen.
- Contact Östgöta APP on 135.855 before climbing to 1600 ft MSL.

Additional details

- When TWR is open upon departure, contact TWR after start-up.
- On the ground, Östgöta APP is available on 133.105. Include the frequency on the initial call.
- Avoid Malmen CTR and Saab CTR sector B, west Linköping C, unless Malmen TWR is confirmed closed.
- Malmen TWR may be open outside published hours.
- Runway is unlit when Saab TWR is closed. Night flight is not possible outside TWR hours of service.
